

Nadder Valley Arts Festival

26-28 October, 2023

NewVic@Tisbury

Exhibitor Registration of Interest

This is the first Nadder Valley Arts Festival. Its purpose is to showcase the wide range of artistic talent we have in the area - painters, sculptors, photographers, woodworkers, potters and artisans - and to provide an exhibition space for the work supported by the Nadder Valley Arts Society over the course of the year.

We are using the whole of the Victoria, Elizabeth Halls and the concourse for the exhibition. The stage will be used as a workshop area during the Saturday.

Your space as an exhibitor comprises a 1.2m wide section of wall in the concourse or free-standing wall in the main Victoria Hall. We also have a limited number of 0.75m square tables. Your work can be for sale or exhibit only, and we encourage you to bring postcards and marketing information.
